2018 IEB MATRIC RESULTS

The 2017 Matric produced the best results in St John's D.S.G. history, but the 2018 Matric have done so in style. Congratulations to all our 2018 Matric girls and their teachers on achieving these superb results. The statistic speak for themselves. Here are some of the Matric's achievements:

- 62 candidates wrote and achieved 100 % Bachelor Passes,
- 206 subject Level 7 symbols (80% or more). This is 47.2% of the total symbols, an increase of almost 10.3% compared to last year's results.
- 121 subject Level 6 symbols (70 – 79 %). 75% of all symbols were 70% or higher. This is almost an 8% increase compared to 2017.
- This means there were on average 3.3 distinctions per candidate and 5.3 level 6 or 7 passes per candidate.

Our Top Achiever for 2018 was Erin Ivins who achieved 7 distinctions and an aggregate of 93.33%. She achieved in the top 5% of candidates in 6 subjects and earned a place on the IEB's Outstanding Achievement list with 60 other top performers from around the country. In addition to this, Erin achieved results in the Top 1% of Candidates in Accounting, Afrikaans, Life Sciences and Physical Sciences. We congratulate Erin on this outstanding achievement.

Other girls who achieved in the Top 1% of candidates in various subjects are as follows:
- Jaimee Buchan — Afrikaans
- Hannah Hathorn — Life Sciences
- Kiara Kader — Accounting, Business Studies and Life Orientation
- Cherise Khan — Life Sciences
- Alinaswe Lusengo — History
- Laura Marx — Mathematical Literacy
- Priya Moodley — Life Orientation
- Lwazi-Lwandile Simelane — IsiZulu
- Sarah Tocknell — English and French

Congratulations to all these girls on these excellent results.
A record number of 20 girls achieved five or more distinctions (Level 7 passes) with an incredible 13 girls achieving either 7 or 8 distinctions:
- Alinaswe Lusengo — 8 distinctions
- Nicole Muir — 8 distinctions
